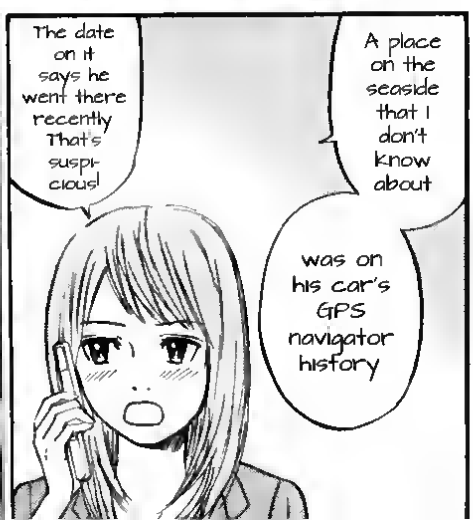
Yeah, Youichi-kun just dropped me off
And also..
Hello, Izumi-san? This is Yuka

I've found it
Something that could be an evidence of him cheating on me

Huh? What I'm going to do?
I'm going to find a conclusive evidence.



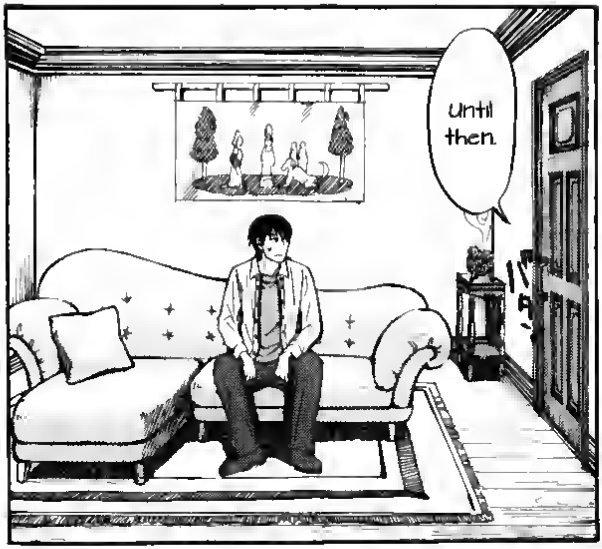
The date on it says he went there recently That's suspicious!
A place on the seaside that I don't know about
was on his car's GPS navigator history

I'm sorry, Kunikida-san.
I will abso-lutely
claim Youichi-kun back!!

.....
I'll show you the room.
Please follow me with a minimum distance of 3 meters

Sensei hasn't come back yet
She said you should practice on your own until she arrives
Prac-tice on my own.

Still andro-phobic as ever



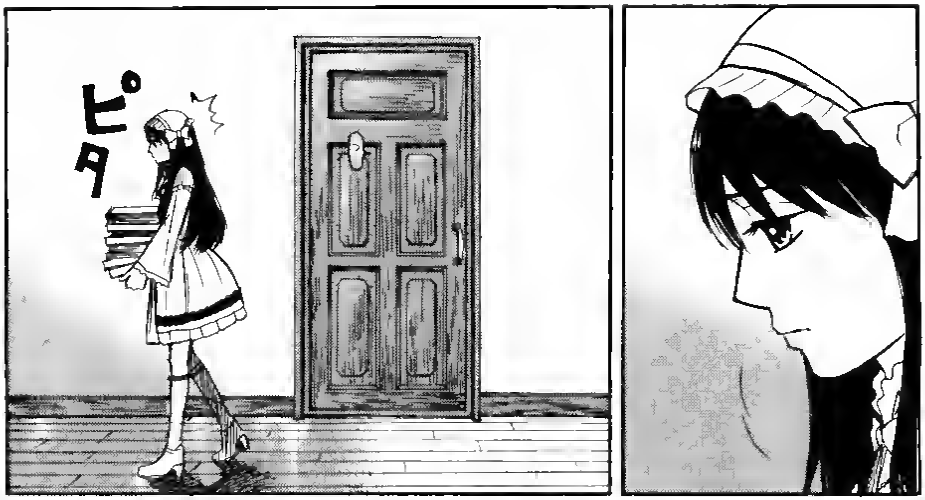
Until then.

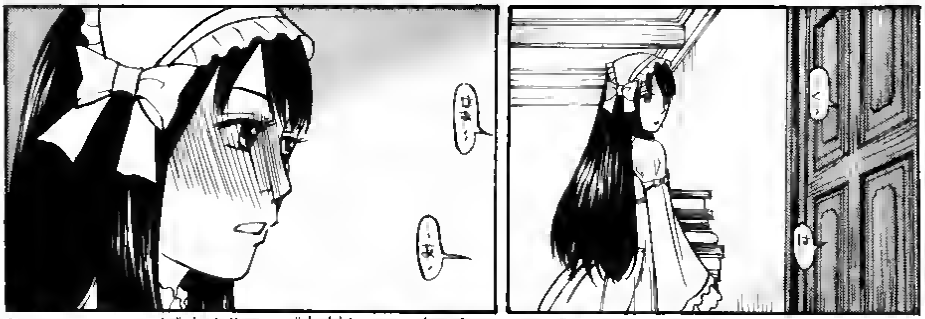
I'll call you when Sensei arrives

I'm going to practice with my all
Well, I'm here anyway,
and practice makes perfect

If I knew this would happen, I would've spent more time with Yuka
I feel bad for her

...





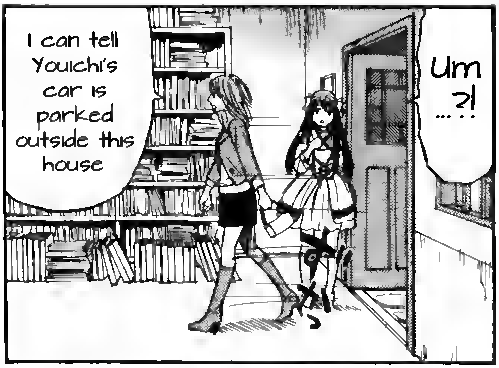
I'm sure you can tell, but the small bubbles are Youichi's moanin

…あ…
ふっ…

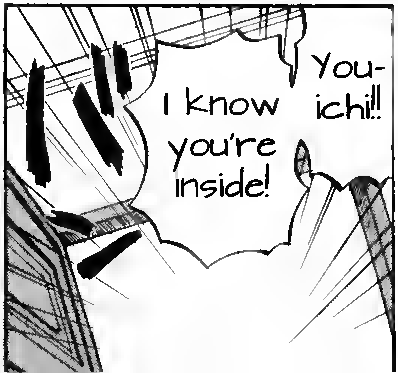
He's cheating with you?
Yes ?
DING DONG DING DONG DING DONG
?
DING DONG

Youichi's here, right?
Get him out.

Sorry but can you please calm down?
You-ichi, where are you?!

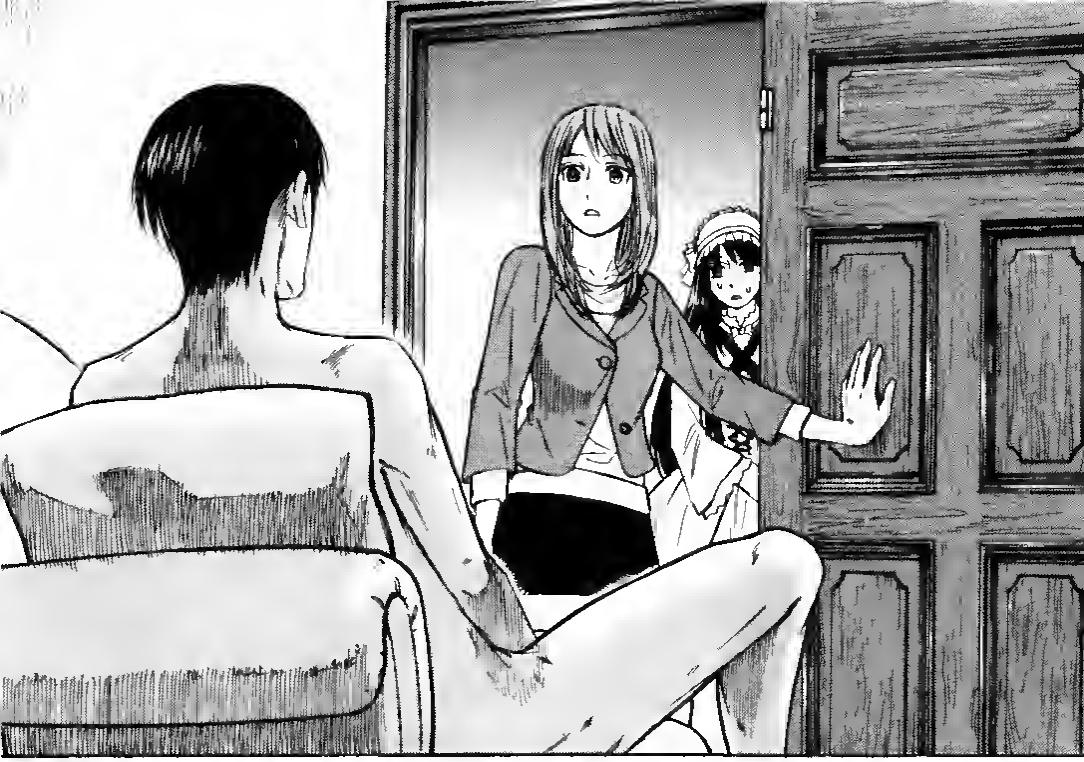


I can tell Youichi's car is parked outside this house
Um ...?!



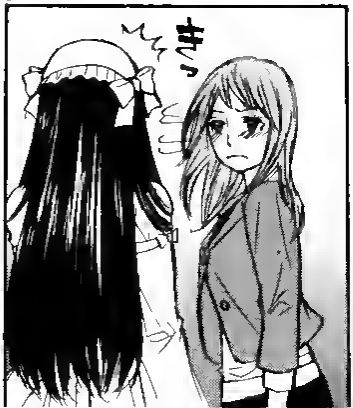
You-ichi!!
I know you're inside!

?
This room is currently occupied, so
Here? He's here, huh?!



I knew you were cheating on me...
I knew it..

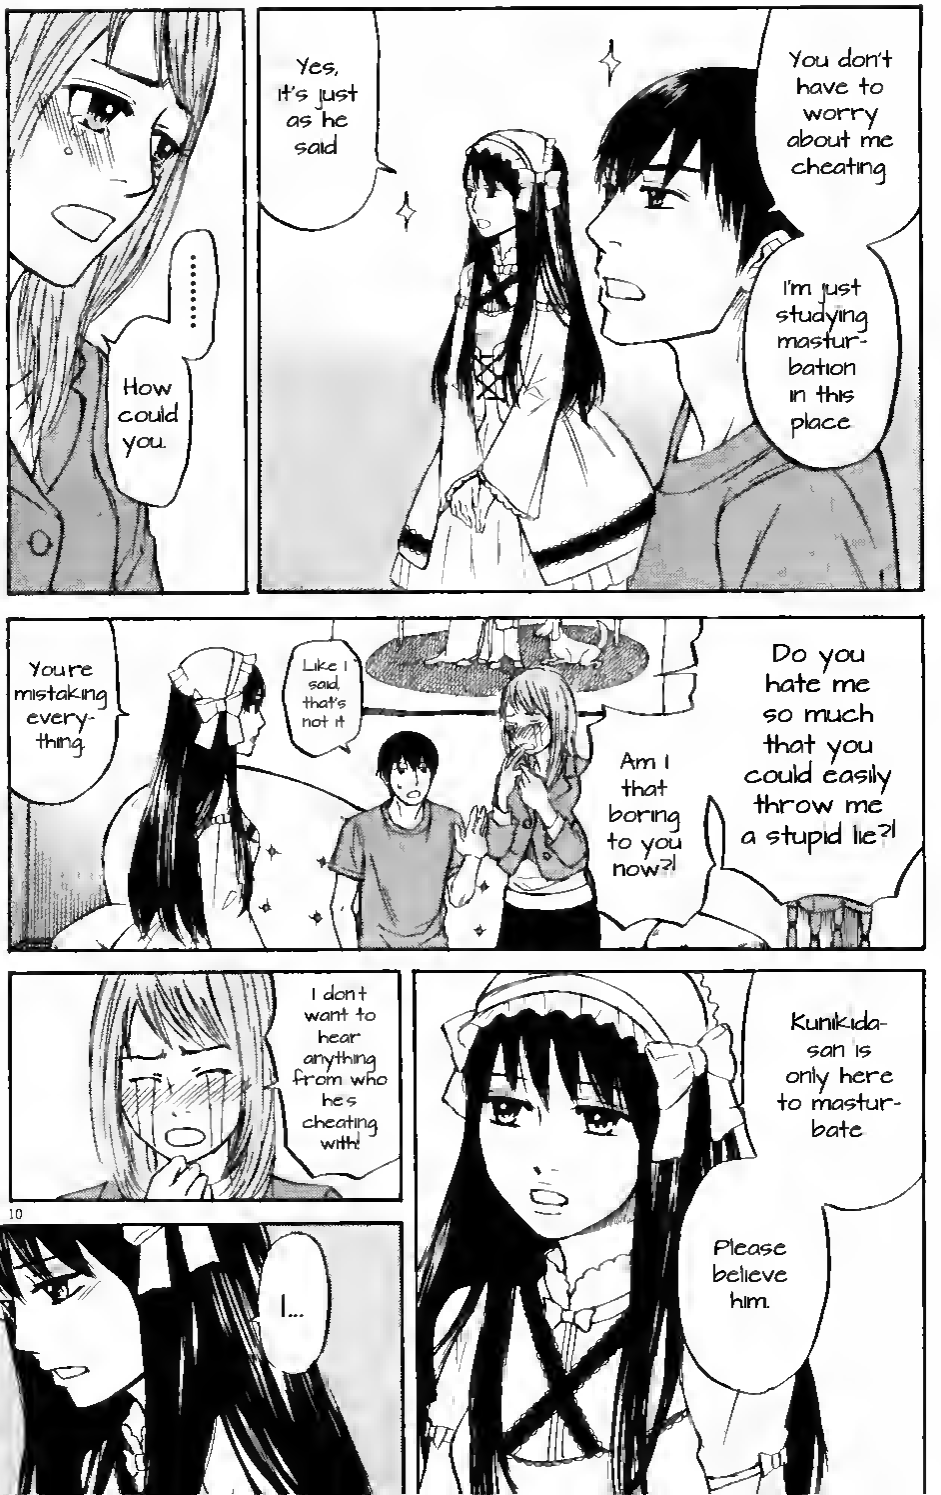
Y-Yuka?
Why are you here?



#ぷい

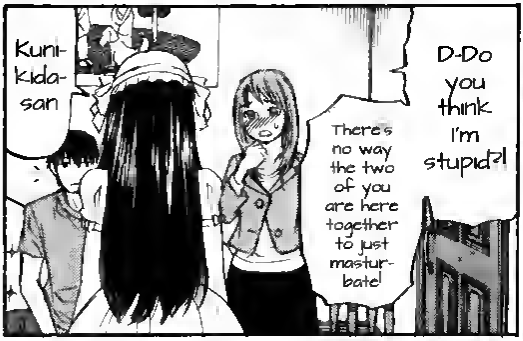
How could you do this to me?!
Eh?
What??
さささっ
ドンマイ

How can I calm down after seeing you cheat on me?!
What happened?
Calm down for a sec
?
I lost to this creepy lolita girl
Yes, you're misunderstanding this
But I'm not cheating on you
wat
I'm not cheating
I'm masturbating
But you're in another woman's house with your pants down!
How can that NOT be cheating?!

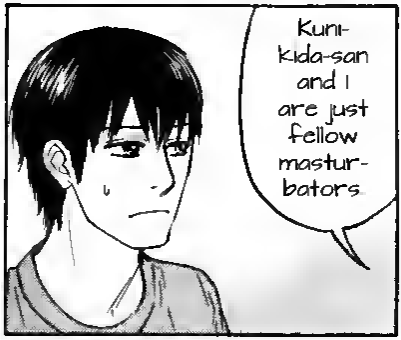


How could you.
.....
Yes, it's just as he said
You don't have to worry about me cheating
I'm just studying masturbation in this place
You're mistaking everything.
Like I said, that's not it
Am I that boring to you now?!
Do you hate me so much that you could easily throw me a stupid lie?!
I don't want to hear anything from who he's cheating with!
Kunikida-san is only here to masturbate
Please believe him.
I...

I'm still a virgin
I'm andro-phobic, and I can't get too close with men



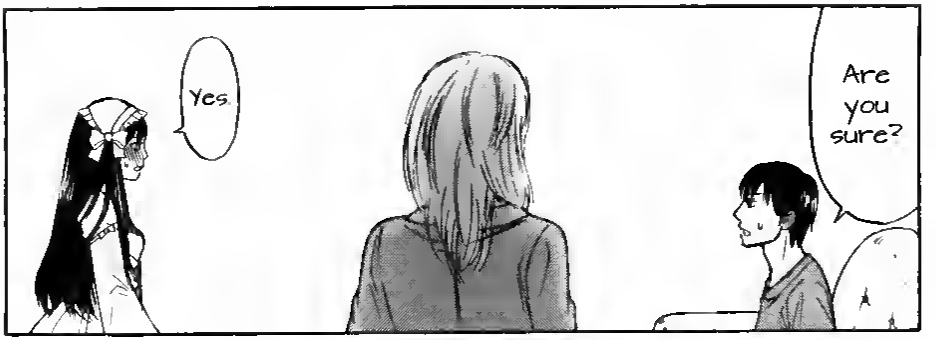
Kuni-kida-san
D-Do you think I'm stupid?!
There's no way the two of you are here together to just mastur-bate!



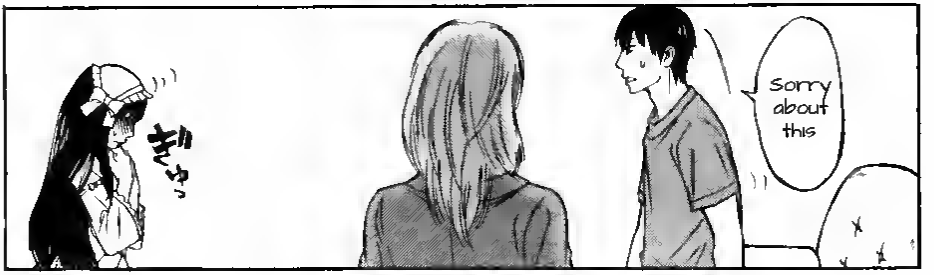
Kuni-kida-san and I are just fellow mastur-bators

Na-tsu-me-san

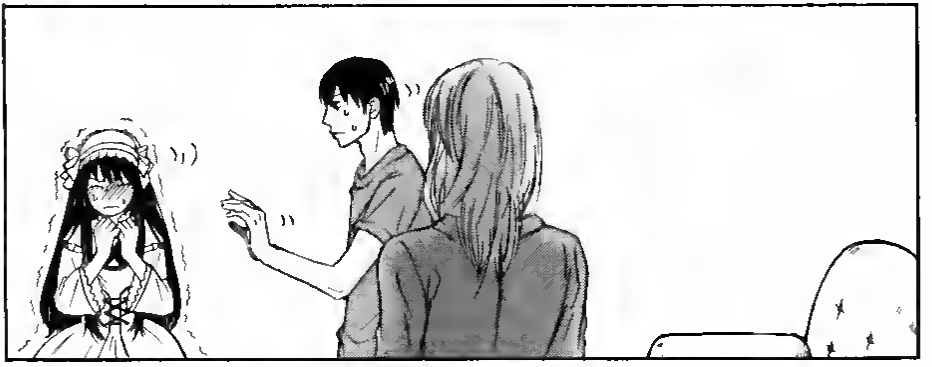
Please t-touch me...
Let's prove to your girlfriend that I do have andro-phobia

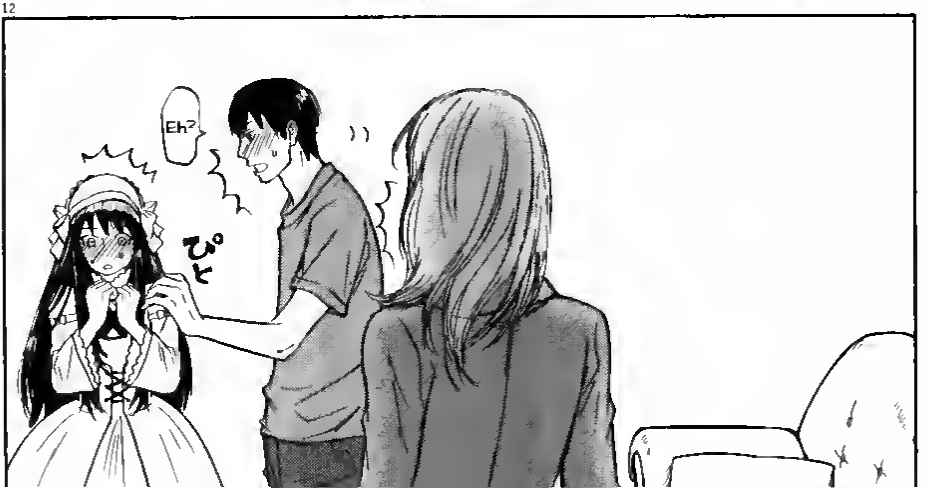


Yes
Are you sure?



きゅっ
Sorry about this





Eh?
ぴと

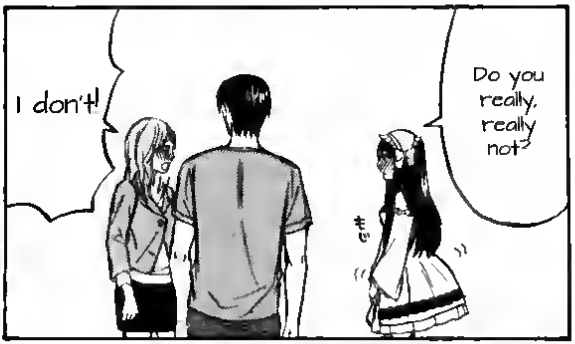
.....
.....
He touched you and you're just fine!
You're not actually androphobic!
Then why did you masturbate beside me?!
Am I not pretty enough for you?
Yuka, you're cute just the way you are
If you like goth lolis so much then I'll be a goth loli for you!
So please don't you ever leave me!
ひゅっ
You knew...?
13
Yuka-san
No, uh, that's not...
You're so cruel for acting like I don't exist!
I was right there beside you, you can just do it with me!

Do you not masturbate, Yuka-san?
14
Girls don't... they don't masturbate ...!
O-Of course I don't!

I don't...

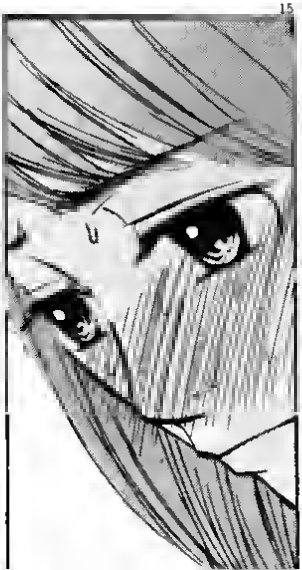
But I do...
Yuka-san, do you really not?
もぞ

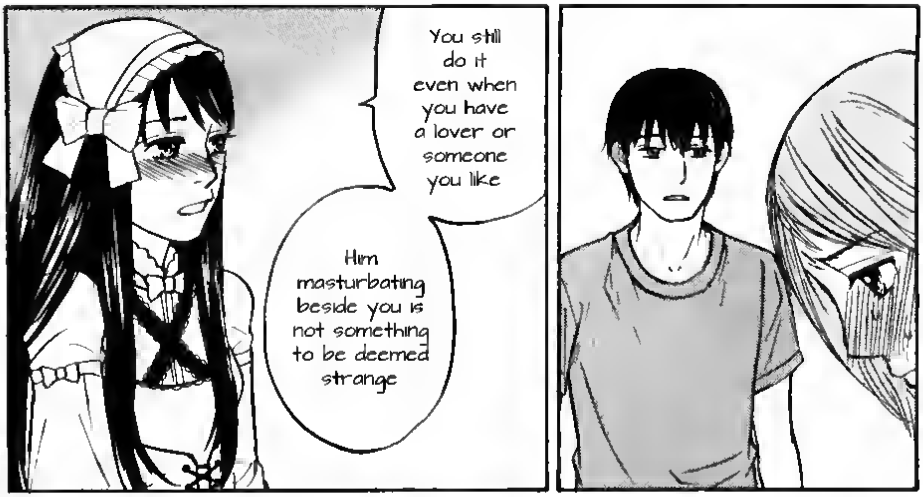
Really?



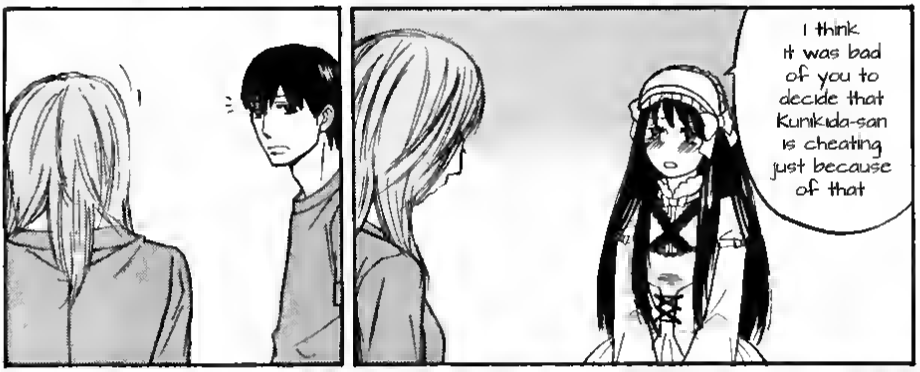
I don't!
Do you really, really not?
もぞ

when I feel lonely
Maybe some times





You still do it even when you have a lover or someone you like
Him masturbating beside you is not something to be deemed strange



I think it was bad of you to decide that Kunikida-san is cheating just because of that

Yu-ka

O Okay.
Natsume-san, I'm sorry
I'm going home now.
Let's go, Yuka.
Sorry for causing such a clamor
Tell Sensei I'm sorry I couldn't wait for her
